ICDCIT-2018

14th International Conference on Distributed Computing and Internet Technology

11-13thJanuary, 2018

KIIT University, Bhubaneswar, Odisha, India

http://www.icdcit.ac.in

Conference Committee

Patron
Achyuta Samanta, KIIT, India

Advisory Committee
Maurice Herlihy, Brown Univ., USA
Gérard Huet, INRIA, France
Bud Mishra, Courant Inst., NYU, USA
P.P.Mathur, KIIT, India
Hrushikesha Mohanty, UH, India
Raja Natarajan, TIFR, India
David Peleg, WIS, Israel
R. K. Shyamasundar, IIT Bombay, India.

General Chair
Laxmi Parida, IBM Research, USA

Program Chairs
Raj Bhatnagar, Univ. of Cincinnati, USA
Atul Negi, Univ. of Hyderabad, India

Program Committee
To be declared

Conference Management Chair
Abhishek Ray

Organizing Chair
Chittaranjan Pradhan

Finance Chair
Manoj Kumar Mishra

Publicity Chair
Manjusha Pandey

Registration Chairs
Harish K. Pattnaik
Hrudaya K. Tripathy

Session Management Chairs
Himansu Das
Manas Ranjan Lenka

Publication Chair
Sharmistha Roy

Student Research Symposium Chair
Arup Abhinna Acharya

Industry Symposium Chairs
Samaresh Mishra

Project Innovation Contest Chairs
Subhasis Dash
Siddharth S. Rautaray

PRELIMINARY CALL FOR PAPERS

Since 2004, ICDCIT conference series is a global platform for Computer Science researchers to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technology. These technologies are increasingly relevant to individuals and organizations who engage in the production, processing and dissemination of knowledge.

The 14th International Conference on Distributed Computing and Internet Technology (ICDCIT-2018) will take place in Bhubaneswar during 11-13 January 2018. It will be organized by KIIT University, Bhubaneswar, India. Like the previous years, the proceedings of the conference is planned to be published by **Springer in the series of Lecture Notes in Computer Science.**

ICDCIT-2018 solicits original papers contributing to the foundations and applications of Distributed Computing and Internet Technology in the following broad areas:

Distributed Computing

- Distributed Algorithms
- Concurrency and Parallelism
- System Specification and Verification: Formal Methods.
- Distributed Artificial Intelligence
- Secure Computing and Communication
- Cloud and P2P Systems
- Cyber Physical Systems
- Big Data Systems and Services

Internet Technologies

- Web Search & Mining
- Information Retrieval
- Multi-media Systems
- QoS Analysis
- Web Services
- Reputation and Trust
- Recommender Systems
- Internet of Things
- Social Networks
- Link prediction in network

Societal Applications

- Computational Social-Science: formal approach
- E- Governance and ERP systems
- Green Computing
- Culture and Heritage-Management
- Gaming Systems
- Medical Applications
- Computational Biology

Paper Submission

Authors are invited to electronically submit their papers using LNCS format written in English, of up to 16 pages, presenting unpublished research results (not submitted elsewhere) or innovative practical applications including development of state of art tools relevant to the conference theme. All submissions are to be done electronically and submitted papers will be peer reviewed for possible inclusion in the conference proceedings expected to be published by ***Springer-Verlag*** as a volume of ***"Lecture Notes in Computer Science"***. At least one of the authors of each accepted paper must register for the conference and present the paper in person at the conference.
Papers are to be submitted through the Easychair link.

Important Dates (details and updates from *icdcit.ac.in*)

July 23, 2017	:	Abstract Submission
July 30, 2017	:	Submission of full papers
September 22, 2017	:	Paper acceptance notification to authors
September 30, 2017	:	Final camera ready paper submission due
