Preliminary Call for Papers

Since 2004, ICDCIT conference series is a global platform for Computer Science researchers to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technology. These technologies are increasingly relevant to individuals and organizations who engage in the production, processing and dissemination of knowledge.

The 15th International Conference on Distributed Computing and Internet Technology (ICDCIT-2019) will take place in Bhubaneswar during 10-13th January 2019. It will be organized by KIIT, Bhubaneswar, India. Like the previous years, the proceedings of the conference is planned to be published by **Springer** in the series of **Lecture Notes in Computer Science**.

ICDCIT-2019 solicits original research papers contributing to the foundations and applications of Distributed Computing and Internet Technology in the following broad areas:

Distributed Computing

- Distributed Algorithms
- Concurrency and Parallelism
- System Specification and Verification: Formal Methods.
- Distributed Artificial Intelligence
- Secure Computing and Communication
- Cloud and P2P Systems
- Cyber Physical Systems
- Big Data Systems and Services

Internet Technologies

- Web Search & Mining
- Information Retrieval
- Multi-media Systems
- QoS Analysis
- Web Services
- Reputation and Trust
- Recommender Systems
- Internet of Things
- Social Networks
- Link prediction in networks

Societal Applications

- Computational Social-Science: formal approach
- E-Governance and ERP systems
- Green Computing
- Culture and Heritage-Management
- Gaming Systems
- Medical Applications
- Computational Biology

Paper Submission

Authors are invited to electronically submit their papers using LNCS format written in English, of up to 16 pages, presenting unpublished research results (not submitted elsewhere) or innovative practical applications including development of state of the art tools relevant to the conference theme. All submissions are to be done electronically, and submitted papers will be peer reviewed for possible inclusion in the conference proceedings expected to be published by *Springer-Verlag* as a volume of *Lecture Notes in Computer Science*. At least one of the authors of each accepted paper must register for the conference and present the paper in person at the conference.

Papers are to be submitted through the EasyChair [link](#).
