Call for Papers
Since 2004, ICDCIT conference series is a global platform for Computer Science researchers to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technology. These technologies are increasingly relevant to individuals and organizations who engage in the production, processing and dissemination of knowledge.

The 16th International Conference on Distributed Computing and Internet Technology (ICDCIT-2020) will take place in Bhubaneswar during 9-12th January 2020. It will be organized by KIIT DU, Bhubaneswar, India. Like the previous years, the proceedings of the conference will be published by Springer in the series of Lecture Notes in Computer Science (LNCS).

ICDCIT-2020 solicits original research papers contributing to the foundations and applications of Distributed Computing and Internet Technology in the following broad areas:

### Distributed Computing
- Distributed Algorithms
- Concurrency and Parallelism
- Distributed Artificial Intelligence
- Secure Computing and Communication
- Cloud and P2P Systems
- Cyber Physical Systems
- Big Data Systems and Services

### Internet Technologies
- Web Search & Mining
- Information Retrieval
- Multi-media Systems
- QoS Analysis
- Web Services
- Reputation and Trust
- Recommender Systems
- Internet of Things
- Social Networks
- Link prediction in networks

### Societal Applications
- Computational Social-Science: formal approach
- E-Governance and ERP systems
- Green Computing
- Culture and Heritage-Management
- Gaming Systems
- Medical Applications
- Computational Biology

Paper Submission
Authors are invited to electronically submit their papers using LNCS format written in English, of up to 16 pages, presenting unpublished research results (not submitted elsewhere) or innovative practical applications including development of state of the art tools relevant to the conference theme. All submissions are to be done electronically, and submitted papers will be peer reviewed for possible inclusion in the conference proceedings which will be published by Springer-Verlag as a volume of Lecture Notes in Computer Science (LNCS). At least one of the authors of each accepted paper must register for the conference and present the paper in person at the conference. For more details regarding submission visit: icdcit.ac.in

Papers are to be submitted through the Easychair portal: https://easychair.org/my/conference?conf=icdcit16

Important Dates (Final Extended Deadline)
18th August 2019: Submission of full papers.
October 3, 2019: Paper acceptance notification to authors.
October 14, 2019: Final camera ready paper submission due.
